ITEM 2 - Announcements

2. The Chairman announced that the SAM site designation system which had been approved by GMIC several months ago has now been approved by both the [REDACTED] and is being incorporated into targets studies by the Air Force. It was agreed that a memorandum to this effect would be sent to the USIB for noting.

25X1C

3. The Chairman requested all members to review their need for copies of special statements issued by GMIC with a view toward radically reducing the number of copies. This action was requested by the Intelligence Board.

25X1A 4. The Chairman announced that there would be an [REDACTED] briefing before the USIB on Tuesday, January 27; members of GMIC were invited to attend.

5. The NSA member reported that there was a bulk of information available at NSA which probably contained worthwhile intelligence but which was not being processed. Col. Rizon and Maj. Clark were designated to carry out an investigation of the possible worth of this material. [Meeting held at NSA 29 January.]

ITEM 3 - Consideration of Draft Memorandum to Chairman, USIB on Soviet Guided Missile Submarine and Destroyer Programs

6. A draft memorandum to the Chairman, USIB on Soviet Guided Missile Submarine and Destroyer Programs was discussed briefly and scheduled for further consideration at 0900, 26 January.
